NEW KALAMAZOO HYBRID FIRE GRILL • HAND-MADE IN MICHIGAN

THE ULTIMATE GRILL
GAS • CHARCOAL • WOOD • GRILL • ROAST • SMOKE

Own a one-of-a-kind piece of professional cooking equipment. Built to order by master craftsmen in Kalamazoo, Michigan, this three-burner grill gives you the ability to cook with gas, charcoal and wood interchangeably—putting every outdoor cooking technique at your disposal. The secret is the revolutionary Hybrid Fire Grilling System drawer; leave the drawer empty for standard gas grilling, or fill it with charcoal or wood to enjoy the rich, smoky flavors of live-fire cooking. Powerful lead-free, cast-brass burners heat the grill to temperatures as low as 250°F and in excess of 1000°F, and the 726 square-inch grilling surface provides plenty of space to cook for a crowd.

SOUS VIDE 101

Sous vide—literally “under vacuum” in French—is a cooking method where water is circulated around sealed food at precisely controlled temperatures. These are some of the reasons why cooks love it:

- Amazing flavor and texture impossible with other methods
- No stress—precise temperature control means you never have to worry about overcooking
- Food is evenly cooked throughout
- Easily repeatable results

BEAUTIFULLY SIMPLE, FEATURE-PACKED DESIGN

- Ultra-compact size
- Most powerful heater available
- Control, adjust and get updates from anywhere via Bluetooth or Wi-Fi with your Android or iOS device (required to control the Joule)
- Companion app also features inspirational, video-rich content
- Magnetic base for extra stability in any induction-ready cookware
- Compatible with Amazon Alexa for voice control

AMAZING RESULTS • ULTRA COMPACT • SMARTPHONE CONTROLLED

NEW JOULE SOUS VIDE

Flaky fish, amazingly tender chicken, perfectly cooked steaks—Joule puts the wonderful results of sous-vide cooking into the smallest but most powerful tool of its kind. Designed by Seattle-based ChefSteps, a company on a mission to help people cook smarter, Joule is controlled with a feature-rich companion app that lets you pick the exact doneness you like for foolproof perfection every time.
